- willing to talk about a purchase of the Macomb
- 2 portion of the system; is that correct?
- 3 A. I'm not sure I understand the question.
- 4 Q. Okay. At some point -- I think you said it was
- 5 about 2005 or '06 you became aware Mr. Mercado
- 6 and Mr. Marrocco were talking about a Macomb
- 7 purchase of the system, correct?
- 8 A. That is correct.
- 9 Q. Okay. Was there a time or a date in which you
- were officially brought into or involved in those
- 11 discussions?
- 12 A. I suppose I got involved in the Macomb discussions
- 13 sometime after Oakland County acquired the
- Clinton-Oakland portion -- the Clinton-Oakland and
- the Edison Corridor portion of the Oakland-Macomb
- 16 Interceptor District. Actually it was the
- 17 Oakland-Macomb Interceptor Drain Drainage District
- that acquired the Oakland portion.
- 19 Q. Okay.
- 20 A. After that transaction closed, we shortly
- 21 thereafter commenced discussions on the Macomb
- 22 piece.
- 23 O. Okay. When you said you commenced discussions,
- 24 who did you commence discussions with?
- 25 A. It was largely the same team of people that were

or can you recall what kinds of information they 2 requested and you provided? 3 The business terms of the transaction that were agreed to between Tony Marrocco and Victor Mercado 4 5 was that the purchase price would be equal to the outstanding principal balance on the bonds allocated to the assets that comprise the Macomb system. And it was that financial information 8 that Macomb County asked DWSD to provide. Okay. And did DWSD provide that information to 10 0. them? 11 12 A . They did. Okay. What time frame are we talking here? 13 0. I don't recall exactly when the Oakland-Macomb --14 the Oakland system closed, but it was from within 15 months of that closing through the closing of the 16 Macomb transaction, which I think was 17 18 September 2010. We have an acquisition agreement signed 19 0. September 2, 2010. Is that --20 That sounds correct. 21 A. 22 That sounds correct to you? Q. MR. ADDIS: Are we just continuing to 23 24 number the --MR. WATSON: Yeah, I assume we will 25

- By that I mean did somebody --
- 2 MR. ADDIS: Exhibit 6. I apologize.
- 3 BY MR. ADDIS:
- 4 Q. Negotiations take place. We've established that.
- 5 And then eventually an acquisition agreement is
- 6 put together and laid on paper. What I'm
- 7 interested in is the process of how this
- 8 acquisition agreement was written and approved.
- 9 By that -- let me ask the first question. Did
- 10 someone submit a first draft?
- 11 A. The first draft was the Oakland transactional
- document, because with limited exceptions, other
- than the purchase price, the Macomb acquisition
- 14 agreement mirrors the Oakland acquisition
- 15 agreement.
- 16 Q. And do we know who put together the Oakland
- 17 acquisition agreement?
- 18 A. It was the same group of parties.
- 19 Q. Okay. That would include you?
- 20 A. Me.
- 21 Q. Was Mr. Hupp involved in that?
- 22 A. Yes, he was.
- 23 Q. Okay. And Mr. Hupp represented who? Oakland?
- 24 A. The Oakland Macomb Interceptor Drain Drainage
- District, I believe. I don't believe he was there

- for Oakland specifically.
- 2 Q. I understand. Okay. Anybody else in that
- 3 process?
- 4 A. Oakland may have had its other attorneys involved.
- 5 Oh, Joe Colaianne from the Water Resource
- 6 Commissioner's Office was a lawyer. John
- 7 McCulloch was involved. Those were the principal
- 8 players for Oakland County.
- 9 Q. Okay. By the time we got down to the signing
- 10 date of this acquisition agreement, did you ever
- 11 compare this acquisition agreement side by side
- 12 to the Oakland agreement?
- 13 A. Not that I recall.
- 14 Q. Okay. Do you know whether Mr. Hupp had done
- 15 that?
- 16 A. I would have no idea.
- 17 Q. Okay. Or Mr. Misterovich?
- 18 A. I wouldn't know.
- 19 Q. Okay. So it's fair to say that the Oakland
- 20 agreement as a model was used for this agreement?
- 21 A. To the best of my recollection, the only things
- 22 that were changed were the things that were
- 23 specific to Macomb County that were not specific
- 24 to Oakland County.
- 25 Q. Okay. Negotiations started in, we believe, '09,

1		questions the validity of this agreement."
2		Sir, at the time either prior to or
3		at the actual time of signing this, did anybody in
4		the room ask Mr. Latimer if he had any such
5		knowledge?
6	Α.	I don't believe anybody asked them that.
7	Q.	As of the date of this signing, were you aware
8		strike that.
9		Was Mr. Latimer the only DWSD employee
10		at that meeting?
11	Α.	At which meeting?
12	Q.	At the signing itself.
13	Α.	I don't recall.
14	Q.	Can you tell me which can you tell me whether
15		anybody within the City of Detroit other than
16		their counsel did a full review of this
17		acquisition agreement before signing?
18	Α.	I'm not sure who reviewed it.
19	Q.	Did anybody ever communicate to you that they
20		reviewed it?
21		MR. FRANZINGER: Objection. You
22		shouldn't disclose any discussions you had with
23		your client.
24		THE WITNESS: I don't recall. My
25		for what it's worth, I believe that this

1		acquisition had to be approved by the Detroit
2		Water Board, so there presumably was some review
3		at that level, but I want I didn't appear
4		before them. I don't know how they how or
5		where or when they addressed this.
6	BY N	MR. ADDIS:
7	Q.	Okay. I want to take you to paragraph 5.3, sir,
8		Litigation and Claims. And this is on 14 of 25.
9		I'm sorry. I should have told you that first.
10		And, again, reading for the record, "Detroit
11		shall promptly inform the Macomb County and MID
12		in writing of any claims of which Detroit is or
13		becomes aware that are or might reasonably be
14		expected to become the subject of litigation
15		affecting the Macomb system or the transactions
16		contemplated by this agreement."
17		Now, sir, using that as a foundation,
18		did there come a time, sir, when you became aware
19		that DWSD employees were being questioned by the
20		FBI, a grand jury, or the U.S. Attorney's Office
21		regarding the practices of DWSD?
22		MR. FRANZINGER: Again, you should not
23		disclose any conversations that you had with the
24		client or that are based upon knowledge that you
25		had based on discussions you had with your client.

Agreement, were you familiar, sir, with the 1 2 Global Settlement Agreement? Yes, I was. 3 A. Were you familiar with what subjects that Global 4 0. 5 Settlement Agreement applied to? 6 Yes. Α. 7 0. What were those subjects that it applied to? 8 Α. Well, at the time I was very familiar with it, 9 even though it had been a few years, but today 10 sitting here today, I could only try to remember. 11 Interest rates, 800 megahertz radio, and a 12 gentleman's agreement, the Letter of Intent to 13 consummate these transactions. 14 Q. And was that Global Settlement Agreement, sir, 15 something that was reached in conjunction with 16 the Feikens case? 17 Α. Yes. 18 Were you part of those negotiations in front of 0. 19 Judge Feikens -- or might not have been in front 20 of him, but under the control of Judge Feikens 21 that led to that Global Settlement Agreement? 22 A. Yes. And as a result of that Global Settlement 23 24 Agreement, certain actions were applied to the 25 pricing of this acquisition agreement; is that

1		correct?
2	Α.	One of the issues addressed in the Global
3		Settlement Agreement was carried forward as a
4		credit on the purchase price.
5	Q.	Okay. And which one do you believe that was?
6	Α.	That was the roughly \$17 million interest rate
7		dispute resolution.
8	Q.	So the \$17 million that I've seen on that
9		sheet
10	Α.	Yes.
11	Q.	and now that you've seen is for that interest
12		rate dispute resolution, correct?
13	Α.	Correct.
14	Q.	Thank you.
15		(Mr. Ruegger not present at 4:18
16		p.m.)
17		MARKED FOR IDENTIFICATION:
18		DEPOSITION EXHIBIT 12
19		4:18 p.m.
20	BY M	R. ADDIS:
21	Q.	Sir, I'm showing you what has been now marked as
22		Exhibit 12, and I believe that that is from that
23		agreement that we talked about, the Global
24		Settlement Agreement. What I mean is what is in
25		there under the term "global settlement," about

- three-quarters of the way down, says, as you can
- see, \$17,050,000, correct?
- 3 A. I see that, yes.
- 4 Q. Yes. And that is a recording, so to speak -- a
- 5 written recording of what you just testified to
- 6 as the settlement money for the interest rate
- 7 dispute, correct?
- 8 A. That's correct.
- 9 Q. And that's what that reflects?
- 10 A. That's correct.
- 11 Q. Thank you. When did you first become aware of an
- 12 investigation into Mr. Kilpatrick, Ferguson
- 13 and/or Mercado?
- 14 A. You know, I really don't remember when I first
- 15 heard about it. Like I said, it was just stuff I
- heard on the street. When it happened, I really
- 17 couldn't tell you.
- 18 Q. Were you ever contacted by either the Department
- of Justice, U.S. Attorney's Office, the FBI or
- 20 anybody regarding any knowledge you might have of
- the operations of DWSD?
- 22 A. No.
- 23 Q. And to this day you have not been?
- 24 A. I have not been.
- 25 Q. Did any of the employees of the city -- of DWSD
